RSVP works closely with two talented and emerging Asian DJ's.

Deluxe

Deluxe is a new wave Asian DJ. He was brought up in Bristol listening to reggae, funk, jazz, hip hop, D&B, trip hop as well as traditional Punjabi and Hindi music. His sound is a "Special Brew" made up of a cup of class, a bucket load of beats, a spoonful of soul, a heap of Hip Hop and shot of sratch, served up with a slice of life and sprinkling of Deluxe's own little magic.

DJ Heinz

DJ Heinz is an out and out Bhangra DJ and love noting more that getting the crowds dancing. His music ranges from old Skool "Desi" Bhangra to the latest Asian mixes. He has played many clubs and events for the Asian and the non-Asian crowds.
